

Is your business paying **Tax Office** fees or using the **Texas Department of Motor Vehicles MVInet Service** to access vehicle registrations by Plate or VIN number? Would you like to have access to this type of service?

Well, now you can, and for as little as **\$14.20** per month, you are allowed 25 TxDMV real-time registration inquiries using **QuickVTR** access.

QuickVTR features:

- The lowest cost of any TxDMV Vehicle Title Registration access.
- Only one QuickForm is used for all inquiries including accessing up to 20 Plates or 15 VIN's at once. Same day through 7th day duplicate record inquiries are now completely free.
- Easy password management. Users just click on their picture icon and enter a password to login.
- MVI records are now enhanced with informational **color** highlights.
- Built-in VIN entry verifier virtually eliminates, "NO RECORD IN RTS DATABASE", responses.
- Exclusive Label windows for printing Owner and Lien Holder information to an attached DYMO label printer.
- Compatible with popular auto dealer sales and inventory control systems such as DealerSocket AAX, vAuto, Firstlook, CDK Global and others.
- Exclusive reporting feature allows retrieval of up to 3 months of on-line usage history. This feature is very useful in reducing potential liability, by documenting access of privacy-protected information.
- Accurate Title Application, Registration, DPS/Automation and E-Tag fees by county for Dealers.
- Windows IE and Chrome Remote Web TWiX button plugins

The screenshot shows the QuickVTR web application interface. The top navigation bar includes 'QuickVTR Lite For TxDOT Guests', 'User ID:', 'Password:', and a 'Login' button. Below this is a 'Welcome to the QuickVTR demo' message with user avatars for Cathy, Curly, Larry, and Mo. The main content area is titled 'Enter inquiry for: REG/ Plate (25) or VIN, Document, Sticker Number (10)'. It features a search form with fields for 'Expiration Year' (set to 2003) and 'Plate Number' (set to ABC123). There are radio buttons for 'Vehicle Identification Number', 'Document Number', and 'Sticker Number'. A 'GO' button is present. To the right of the search form is an 'Information window' showing the user's name 'Cathy' and a timestamp '12/26/03 11:13:09 AM'. Below the search form are links for 'Regclass Codes', 'Opt-Out Table', and 'Remarks Table'. The bottom section displays detailed vehicle information for license plate ABC123, including owner name 'JOHN Q. PUBLIC', address, and registration details. A 'PRINT' button is visible on the left side of the interface.

There is no other TxDMV vehicle registration access product like **QuickVTR**, which is simple to use, less expensive and includes a support staff with 25+ years of TxDOT/TxDMV VTR experience.

A demonstration of **QuickVTR**, can be found at www.quickvtr.net/qvdemo, where you can also print out the Application and State required forms to mail or fax to our toll free fax number.
