

Is your business paying **Tax Office** fees or using the **Texas Department of Motor Vehicles** MVI_{net} Service to access vehicle registrations by Plate or VIN number? Would you like to have access to this type of service?

Well, now you can, and for as little as **\$13.45** per month, you are allowed 25 TxDMV real-time registration inquiries using **QuickVTRnet** access. All new customers will also get to try **QuickVTRnet free** for a period of time to see how beneficial this product can be for your business.

QuickVTRnet features:

- The lowest cost of any TxDMV Vehicle Title Registration access.
- Only one QuickForm is used for all inquiries including accessing up to 20 Plates or 15 VIN's at once. Same day through 7th day duplicate record inquiries are now completely free.
- Easy password management. Users just click on their picture icon and enter a password to login.
- MVI records are now enhanced with informational **color** highlights.
- Built-in VIN entry verifier virtually eliminates, " **NO RECORD IN RTS DATABASE**", responses.
- Exclusive Label windows for printing Owner and Lien Holder information to an attached DYMO label printer.
- Compatible with popular auto dealer sales and inventory control systems.
- Exclusive reporting feature allows retrieval of up to 3 months of on-line usage history. This feature is very useful in reducing potential liability, by documenting access of privacy-protected information.
- Accurate Title Application, Registration, DPS/Automation and E-Tag fees by county for Dealers.

There is no other TxDMV vehicle registration access product like **QuickVTRnet**, which is simple to use, less expensive and includes a support staff with 20+ years of TxDOT/TxDMV VTR experience.

A demonstration of **QuickVTRnet**, can be found at www.quickvtr.net/qvdemo, where you can also print out the State required forms to mail or fax to our toll free number for your demonstration period.

Please visit www.qvti.com for more information or call QVTI Sales toll free at **866.490.5566** now with your questions and to schedule your **QuickVTRnet** trial period.

QuickVTRnet comparison price list by records returned (Recs).

All records (Recs) come from the TxDMV VTR database. Privacy protected information not included unless FDPPA Permitted use on file. 18% Rec errors include incorrect VIN entry and duplicated record requests.

Also available, if you just prefer a subscription to TxDMV MVInet, you can add **QuickVTR** managed service for \$ 9.95** or our un-managed **TxMVI.net** service for \$ 6.65** per month to enjoy the same benefits and near the same level of service as **QuickVTRnet**. Available now, TxDMV subscribers may use **QuickVTR Lite** completely free at <https://quickvtr.net/lite>.

QuickVTRnet is billed by the maximum records (Recs) returned by TxDMV per month service level. Recs above or below the next smaller service level are handled automatically with the correct service level selected for the next contract service term. Recall Recs to the **QuickVTRnet** Server for same day through 7th day TxDMV Recs are free. The Recall Recs, VIN Verify, and other features are the reasons for **QuickVTRnet** 0% error rate compared to 18% experienced by other services.

⁺⁺ Service Level Prices taxed at 6.6%.

^{**} Billed three or more months at a time.
